

Building Rehabilitation Incentive Grant (BRIG) Program: *Guidelines*

Purpose

Building Rehabilitation Incentive Grant (BRIG) Program was created for the purpose of encouraging private investment by restoring vacant buildings in downtown Bessemer City. This grant encourages rehabilitating older, historic structures in the Central Business District (CBD). The grant also encourages and requires renovations that follow the Secretary of the Interior's Standards for rehabilitation for historic structures.

Improving the interior of buildings in downtown will promote economic growth by attracting and retaining businesses, enticing customers, creating jobs, and halting property value deterioration in the district. In addition, this program will help preserve downtown's unique physical resources and attributes.

This grant aims to revitalize Bessemer City's Central Business District (CBD) by creating jobs, increasing the City's tax base, and providing an opportunity for private investment to preserve the historic and cultural characteristics of downtown properties. This grant seeks to improve the overall economic conditions in Bessemer City.

Goals

- To promote interior rehabilitation of commercial and mixed use buildings in the downtown area.
- To preserve special characteristics of this area by helping owners make quality building improvements that foster a sense of place and overall consistent image for the area.
- To compliment public/private revitalization efforts, such as sidewalk and landscaping improvements.
- To promote an attractive environment for new investment and business activity.
- To create opportunities for job creation.
- To increase the City's tax base.
- To increase the overall interest in Bessemer City and the downtown area.

Eligibility

- The building must be a vacant and/or underutilized building in the Central Business District (CBD) and use for or intended for commercial purposes.
- The applicant may be either the owner or a tenant of the building (tenant will need to have written permission from owner).
- Final determination of eligibility will be made by recommendation of staff and final approve from City Council.

Grants

- The City will consider applications for grants of up to fifty (50%) percent of eligible costs.
- The maximum grant shall be \$10,000.
- The maximum amount will be determined by the project case by case.
- Matching grant payments will be made in the form of reimbursement upon completion of the project in a manner acceptable to the City.
- Applicant is limited to the maximum amount allowed (\$10,000 match) but is not entitled to the full amount.

Please direct all questions or concerns to the Department of Economic Development
(704) 729-6505 or jross@bessemerncity.com

- The City reserves the right to amend and/or discontinue the grant at their sole discretion.

Requirements

- The Secretary of the Interior’s Standards for Rehabilitation and the Supplementary Requirements for Development in the Central Business District (CBD) [as found in section 6.6.2.6 of the Unified Development Ordinance (UDO)] will be used as guidelines for awarding project reimbursements.
- Rehabilitation of a structure in the Central Business District (CBD) should be considered a contemporary solution, which respects the architectural and historical integrity of the entire building while retaining those elements that enhance the building.
- All rehabilitation work must comply with all City codes, ordinances, and policies, including, but not limited to building code requirements, local ordinances, (including historic district guidelines, where applicable) and established design standards for the designated area.
- All projects must be completed within one (1) year of the date that the grant is awarded. Any extension beyond one (1) year must be requested by the owner and approved by the City or the funds may be rescinded.
- Applicant must secure a leasing contract if leasing property or plan to lease the property.
- A certificate of occupancy is required upon completion of the project.
- Applicant is required to meet performance requirements which may include, but are not limited to, job creation, level of capital investment, and other requirements deemed appropriate for the project. This will be a written agreement signed by the awarded applicant different from this document.
- Grants may only be used to finance interior improvements.
- Upon completion, the improvements will be inspected for determination of compliance as submitted in the application.
- The City may request a minimum of two (2) quotes for each project element.

Secretary of the Interior’s Standards for Rehabilitation

The U.S. Department of the Interior developed ten national standards that address the rehabilitation of historic buildings. The standards describe a hierarchy of appropriate preservation treatments, which encourages ongoing maintenance and protection of historic properties to minimize the need for more substantial repairs and, in turn, values repair over replacement of historic features.

The 10 Standards are as follows:

- **1.** A property will be used as it was historically or be given a new use that requires minimal change to its distinctive materials, features, spaces, and spatial relationships.
- **2.** The historic character of a property will be retained and preserved. The removal of distinctive materials or alteration of features, spaces, and spatial relationships that characterize a property will be avoided.
- **3.** Each property will be recognized as a physical record of its time, place, and use. Changes that create a false sense of historical development, such as adding conjectural features or elements from other historic properties, will not be undertaken.
- **4.** Changes to a property that have acquired historic significance in their own right will be retained and preserved.
- **5.** Distinctive materials, features, finishes, and construction techniques or examples of craftsmanship that characterize a property will be preserved.
- **6.** Deteriorated historic features will be repaired rather than replaced. Where the severity of deterioration requires replacement of a distinctive feature, the new feature will match the old in

(704) 729-6505 or jross@bessemerncity.com

design, color, texture, and, where possible, materials. Replacement of missing features will be substantiated by documentary and physical evidence.

- 7. Chemical or physical treatments, if appropriate, will be undertaken using the gentlest means possible. Treatments that cause damage to historic materials will not be used.
- 8. Archeological resources will be protected and preserved in place. If such resources must be disturbed, mitigation measures will be undertaken.
- 9. New additions, exterior alterations, or related new construction will not destroy historic materials, features, and spatial relationships that characterize the property. The new work will be differentiated from the old and will be compatible with the historic materials, features, size, scale and proportion, and massing to protect the integrity of the property and its environment.
- 10. New additions and adjacent or related new construction will be undertaken in such a manner that, if removed in the future, the essential form and integrity of the historic property and its environment would be unimpaired.

Eligible Costs

Eligible costs can include but are not limited to the following:

- Plumbing elements
- Electrical elements
- Roofing (with exceptions)
- HVAC and similar elements
- Painting (interior only)
- Flooring
- Construction for accessibility, clearance, fire code, etc.
- OTHER

Ineligible Costs

Ineligible Costs can include but are not limited to the following:

- Exterior improvements
- Merchandise

Disclaimer

The City reserves the right to disqualify the applicant from the grant if all program guidelines are not followed or for other reasons deemed appropriate by the City. In cases of disqualification, the applicant will forfeit all rights to reimbursement.

Please direct all questions or concerns to the Department of Economic Development
(704) 729-6505 or jross@bessemerncity.com

Building Rehabilitation Incentive Grant (BRIG) Program: *How to Apply*

Step 1: Pre-Application (to be completed by the APPLICANT)

- Meet with City Staff prior to submitting an application. Discuss the project, the process, and the time frame. This is also a time for the applicant to ask questions.

Step 2: Application (to be completed by the APPLICANT)

Submit completed application to City:

- Contacts Form
- Project Information Form Including:
 - Project Plans/Photos/drawings
 - Photos of current site
 - Material samples and/or
- Quote Tally Form
- OTHER FORMS

Step 3: Building Rehabilitation Incentive Grant (BRIG) Review (to be completed by the CITY)

- Reviewed by City Staff
- City may request additional application information
- Projects will be evaluated by the BRIG Evaluation Scoring System
- Approval by City Council

Step 4: Post-Application, Pre-Work (to be completed by the APPLICANT)

Once approved for the grant, but BEFORE any work begins, submit:

- Copy of permits (if applicable)
- Signed agreement between awarded applicant and the City (this is a separate document from this application)
- Other documentation upon request

Step 5: Complete the Project (to be completed by APPLICANT)

Step 6: Reimbursement

Include:

- Copies of all invoices
- Copies of all cancelled checks for each paid invoice
- Signed waiver from each contactor (if applicable)
- Other receipts
- Other documentation upon request

Please direct all questions or concerns to the Department of Economic Development
(704) 729-6505 or jross@bessemerncity.com

NOTE:

1. The property owner is responsible for ensuring all work in consistent title program and the design as approved. The City will be available for consultation and to provide clarification of the project's guidelines and intent.
2. The City must approve any changes in work and note such changes on the application. Action on changes may be deferred.
3. City Staff may conduct periodic inspections to ensure compliance with technical specifications. All work must pass applicable city inspection.
4. Deviations from the approved application plan may disqualify the applicant from the grant program. In cases of disqualification, the applicant will forfeit all rights to reimbursement.

Please direct all questions or concerns to the Department of Economic Development
(704) 729-6505 or jross@bessemerncity.com

CONTACTS

Applicant(s) Name: _____
Applicant Address: _____
City: _____ State: _____ Zip: _____
Phone: _____
Email Address: _____
Business Name: _____
Project Address: _____
Property Owner(s) Name (if different from above): _____

Does the applicant own the project building? Yes No (Property owner must also sign below)

The undersigned applicant(s) affirms:

- Work done prior to grant approval (by City Council and written agreement) is not eligible for funding.
- The project will be completed within one (1) year from date of approval.
- I/we have read and understand the conditions, process, and guidelines of this grant program and agree to abide by its provisions.
- I/We acknowledge the project must meet certain requirements as required by the City.
- All required permits are responsibility of the applicant.
- The information submitted herein is true and accurate to the best of my/our knowledge.

4. Building Rehabilitation Incentive Grant (BRIG) Program: *Application Form*

OTHER FORMS

You are responsible for obtaining all necessary permits for your project. Staff recommends waiting to actually pull the permits until your grant has been approved. This way, if the grant application is rejected and/or if you decide not to go forward with the project, you have not wasted funds on permit fees.

Please complete form below. The Planning and Code Enforcement Department will determine the required permit(s) for your project.

Applicant Name: _____

Applicant Email Address: _____

Applicant Phone Number: _____

1. Property Address: _____

2. Project Description:

3. Required Permits (to be completed by the Code Enforcement Officer)

1. _____
2. _____
3. _____
4. _____
5. _____

4. Required Variance and/or Meetings before the Planning Board/Board of Adjustments (to be completed by the Code Enforcement Officer)

1. _____
2. _____

Building Rehabilitation Incentive Grant (BRIG) Program: *Evaluation Scoring*

Applications to the FIG Program will be evaluated using this scoring system. Projects must receive a score of 20 or more and meet all other program requirements to be considered for funding.

IMPACT: Certain buildings and businesses are important to downtown's character because of their location, size, and/or architectural details.	Points
Key, highly visible elements of the building will be improved.	1 2 3 4
The building is highly visible due to its location (prominent intersection, larger than surrounding properties, etc.)	1 2 3 4
Improvements will significantly impact revitalization efforts in downtown	1 2 3 4

DESIGN: some changes may benefit a property's aesthetics significantly.	Points
The plan is consistent with the downtown design guidelines.	1 2 3 4
Proposed improvements will enhance the aesthetics of the building.	1 2 3 4
The proposed work complements neighboring property.	1 2 3 4
A professional designer contributed to the plan.	1 2 3 4
Historic characteristics are enhanced and/or restored.	1 2 3 4

SUSTAINABILITY/PERMANENCE: some improvements have a greater lasting value than others and will remain relevant to the property over time. Priority will be given to project with significant permanence.	Points
Improvements are more than temporary cosmetic touches. Improvements have lasting value and will secure the integrity of the property.	1 2 3 4
Project includes a maintenance plan for the improvements.	1 2 3 4
Applicant owns the building or has a least two years remaining on the lease.	1 2 3 4

COMMUNITY CONTRIBUTIONS: businesses that focus on the community as a whole, build a better place for people to live, visit, work, and play. Priority will be given businesses that actively give to the community.	Points
Applicant is a good neighbor; little to no violations, problems, etc.	1 2 3 4
Applicant keeps area around the business clean and free of debris on a consistent basis.	1 2 3 4
Applicant participates in downtown organizations and events that promote the community.	1 2 3 4
Applicant actively promotes the community and their business.	1 2 3 4

Please direct all questions or concerns to the Department of Economic Development
(704) 729-6505 or jross@bessemerncity.com

JOBS: projects that focus on job creation and overall expansion projects will receive priority.	Points
Business is also working on an interior rehabilitation project.	1 2 3 4 5
Business plans on creating jobs in the process of improving their property. (Number of jobs estimated to be created).	1 2 3 4 5 OTHER: _____
This project will increase interest in the community and promote other business to make improvements or expand.	1 2 3 4 5

NEW BUSINESS: projects that focus on the development of a new business will receive priority.	Points
New business is a new type of business downtown.	1 2 3 4 5
New business is rehabilitation a vacant and/or underutilized property.	1 2 3 4 5
New business increases interest in downtown and the amount of traffic (both pedestrian and motor vehicle).	1 2 3 4 5

BONUS	Points
The project overwhelming positively impacts economic activity in the community.	1 2 3 4 5
The Project uses green technology and/or sustainable building materials that still follow all regulations, provisions, and guidelines.	1 2 3 4 5
