SPECIAL FEATURES

Circus Stella

Join us for Circus Stella on Saturday, May 13th, 2017 in downtown. Performances will take place at 1:00PM, 2:30PM, and 4:00PM.

Circus Stella (brought to you by FMC) is a one ring family circus featuring rope walking, ladder balancing, juggling, static trapeze, aerial silk, stilt walking, and acrobatics!

Circus Stella also features performing rescued dogs. All of the dogs used in performance are the beloved pets of Dextre & Jana, owners of Circus Stella. They are mixed breed dogs rescued from animal shelters across the country. They serve as ambassadors of shelter dogs everywhere as Circus Stella promotes the adoption of rescue dogs, and attempts to educate the public on the many benefits of choosing a dog from a shelter.

Visit circusstella.com for more information!
