COVID-19 VACCINATION CLINIC IN BESSEMER CITY

The City of Bessemer City, Livent (formerly FMC Lithium), and Kintegra Health have partnered to offer a **FREE** drive-thru COVID-19 vaccination clinic (Moderna) on **Friday, March 19, 2021**. This vaccination site will help protect the community's health and provide access to eligible residents wanting to receive the vaccine.

Livent has been a key community partner in Bessemer City for decades. Plant Manager, Larry Spickard, commented by saying *"Livent is pleased and honored to support this kind of event. Livent is committed to being a responsible community partner and we are thrilled to see this take place on our property."*

"Kintegra Health's mission is to help serve individuals in the community by offering accessible health care" said COO Robert Spencer. *"Bessemer City and Livent have been extremely accommodating for the vaccination clinic. We are thrilled about this partnership."*

Bessemer City Mayor, Becky S. Smith, commended Kintegra Health and Livent for their swift action and call to serve the public. *"As Mayor, I am delighted when community partners, including the City, work together for the public. This vaccination clinic will serve Bessemer City residents and allow those wanting the COVID-19 vaccine to receive it. This is what it means to be a community."*

The vaccination site will be located at the large parking lot off of Highway 161, across the street from the main Livent facility in Bessemer City. Qualifying participants will automatically be scheduled for their second dose, which will take place on Friday, April 16, 2021 at the site location.

This drive-thru clinic is by pre-registration only.
